ANNOUNCEMENT: The studio will begin the fall class schedule on August 19.

SUMMER SIGN UP (PLEASE SIGN UP EARLY)

Please sign up for the classes in advance, and only pay for the classes that you attend. Pre-pay price means you must sign-up and pay before the classes or camps start. The drop-in students will need to pay the drop-in price. Class fees are refundable if cancelled before June 30th. All students that are planning to audition for the teams should attend summer classes when they are in town. In the past, some students who haven't danced all summer and only take the warm up class before the audition have not made the teams. We may have to cancel summer classes due to low enrollment, so please sign-up if you know you will be attending.

TEAM INFORMATION

I will send an e-mail the end of May with all the information and requirements for these teams.

There will be an audition on Sunday, August 18th for all Contemporary/Jazz teams

There will be an audition on Saturday, August 17th for the Teen and Senior Hip Hop Teams.

Mini and Junior Hip Hop Teams do not have auditions and will be picked from the warm-up class.

Acro and Tap Teams will be chosen during the summer classes.

Anyone who is 12 years or older is welcome to join our MDS Performing Team.

NEW AND ADDITIONAL CLASSES/CAMPS:

***ADULT HIP HOP WITH KENTO** - Monday nights from 7-8pm in studio A. We had a great turnout last year with this class. Almost 30 dancers came to learn this high energy style and everyone left sweaty, with a smile on their face!

***NEW* TAP CLASS** - Friday nights from 6:30-7:30pm in studio A. Students of all ages and skill levels are welcome to join. If we have enough students sign-up, we might split the class based on skill level.

If you are interested in the below classes please email me. If we have enough students we can schedule the class.

***4 DAY BALLET DANCE INTENSIVE (JULY 23-26TH FROM 3-5PM)** - For intermediate/advanced dancers that just can't get enough of Ballet! We will incorporate pre-pointe exercises and technique into the class. There will be a performance for the parents Friday at 4:45pm.

***ACRO DANCE CAMP (M-F)** - The class will be structured for the students to work on flexibility, limbering balance, strength and tumbling skills such as front and back walkovers, cartwheels etc.

***FRIENDS CLASS** - If you want to have a special class each week, or a master class with just friends, we can add that class to the schedule. We would need at least 8 friends for this class.

SUMMER PRIVATE LESSONS ARE AVAILABLE IN ANY STYLE OF DANCE.

SUMMER CLASSES

BALLET CLASS

Many Students have realized that ballet training is very important to advanced to a higher level of dance.

Anastassiya will be teaching these classes during the summer. If we have more students in the fall we will form new classes for some of the students.

CONTEMPORARY, JAZZ, MODERN AND TAP CLASS

These classes are very popular with all of the students. **Contemporary** is a style of expressive dance that uses techniques of ballet, jazz lyrical and modern. **Jazz** is an upbeat dance style that uses strong powerful movements, leaps, turns, and is influenced by ballet, east Asian and Indian folkloric dance. **Modern** dance was started as an artistic movement which rejected strict classical ballet traditions in the beginning of the twentieth century. We will focus on Graham and Horton technique. **Tap** will be open to anyone at any skill level, tap shoes not required! This is a great class for those students who want to work on their rhythm and musicality while building strong hip, leg and ankle muscles.

HIP HOP CLASS

These classes are taught by Kento and Alina, for the students who would like to try Hip Hop for the first time, advance their level of Hip Hop, and for those who would like to audition for the Hip Hop teams. Kento did a great job with his boy's class during the year. We are offering this popular class for the summer. We would like to welcome Alina to our staff this year. She came to us as a sub and the kids loved her so much we knew we had to keep her. She will be teaching the 5-7 year old and 8-11 year old weekly classes on Thursdays. Bailey recommends that current team members, and students wanting to audition for the competitive teams, take at least a few of these classes over the summer.

ACRO DANCE

Acro Dance as it is commonly referred to by dancers and dance professions, is the beautiful fusion of classic dance technique and the precision and athleticism of acrobatic elements. Anastasiya is certified by Acrobatic Arts, and will be teaching through their syllabus. The class will be structured for the students to work on flexibility, limbering, balance, strength and tumbling skills such as front and back walkovers, cartwheels etc. There will only be four weeks of Acro dance classes instead of five. Everyone is welcome to try the beginning class. The experienced Acro class is for dancers who have mastered the all the basic tumbling skills. Please ask for a class recommendation if you are unsure which class to attend.

TECHNIQUE, AND CONDITIONING/IMPROV CLASS

Bailey will teach a technique class focusing on proper placement, strength, flexibility, skills. This is a very good class for all students to become a stronger dancer. The conditioning and improv combo class will be an hour and a half on Fridays. Conditioning helps prevent injuries while improving strength, power, endurance and flexibility. The improv part of class will work on spontaneously created movement, encourage self discovery, improve musicality, and include fun partner contact exercises.

LYNN'S CLASS

All experienced dancers 12 years old and up (must have some ballet experience) are welcomed to try her Contemporary/Jazz classes during the summer. Lynn's current students must take the class when they are available. Lynn will choose any additional students from her August 6th summer class that she feels are on the appropriate level of dance for her class in the fall. Lynn's summer class will be 2 hours long.
